Dear Mr. Dhinu,

We would like to congratulate you on your appointment as the International Director of Leadership Character Development Institute (L-CDI) on behalf of the **The Prem Rawat Foundation**.

We are pleased to acknowledge that L-CDI has made a tremendous job of recruiting and providing education to the drop out children from provinces of Cambodia and we see these children becoming young citizens of great potential.

We are happy to continue supporting L-CDI in whatever way we can and with ushering of the New Year; we would like to donate 500kg of rice as well as 50kg of beans to L-CDI.

Congratulations and wishing you a progressive and successful new year ahead.

Thank you.

Yours sincerely,

*Santha Kumari*
